

2' x 3', Black, Tek-Tough® Large Drainage Hole Anti Fatigue Mat, T13

Product Images

Short Description

- Raised edging around each hole creates a slip resistant surface
- Large drainage holes remove liquid and debris from platform
- General Purpose Rubber

Description

Tek-Tough® is an all purpose anti-fatigue mat for the food service industry available in general purpose (black) and 100% heavy-duty Nitrile (red) rubber compounds for varying degrees of grease and oil protection. Tek-Tough® is designed to provide excellent foot comfort and sure traction in wet or greasy areas. Its' large hole drainage system facilitates the removal of liquids and debris from the work area further enhancing the slip resistance of the mat.
