Emergency Eyewash and Shower Station Mat

Group 546

In case of exposure, high visibility mats provide a guide for users to quickly locate the shower and/or eyewash stations.

Emergency Eyewash and Shower Station mats are compact, simple ways to make your workplace's emergency areas visible.

Choice of a red or green center with yellow borders that will clearly define the station and make it easy to recognize in case of emergency.

- Available in several standard sizes for ease of installation in common sized work stations
- Proudly manufactured in North America
