
32" x 39", Black-Yellow, Sani-Trax[®] Plus Shoe Sanitizer Mat, 351

Product Images

Short Description

- Tough rubber compound resists most chemicals and variations in temperature
- Overall mat thickness is 2.5" and holds up to 5 gallons of sanitizing solution
- Thick containment border stands 1 7/8" higher than finger scrapers to contain disinfectant and contaminants
- Thousands of flexible rubber fingers provide scrubbing action
- Suction cups on underside help to minimize mat movement

Description

Sani-Trax® Plus is an entrance disinfectant foot mat that cleans and sanitizes shoes at entrances to sensitive areas such as food processing plants or laboratories. Thousands of flexible fingers provide an automatic scrubbing action that dislodges contaminants from footwear. A thick rubber border allows the mat to hold up to 5 gallons of disinfectant solution and as traffic passes, the rubber tips bend to immerse the soles of shoes in the disinfectant solution. A tough rubber compound is designed to resist most chemicals and variations in temperature, while suction cups on the underside of the mat keep it in place.

Specifications

Model No	351S3239YB
Color	Black/Yellow
Dimensions	32in x 39in
Thickness	2 1/2in
UPC	662641888012
Brand	NoTrax
Standard sizes	32"x39"
Group	Ergonomic, Anti-fatigue & Safety Matting
Environment	Wet/Dry Areas
Recommended Use	At doorways, starter rooms, packaging areas, laboratories, employee locker rooms, break rooms, refuse areas and receiving areas. Any place where spread of contamination needs to be limited.
