Emergency Station Mat Kits - Shower & Eyewash Station

Group 546

Green and red interlocking drainage style safety floor mat tiles with yellow transition borders snap together easily. No tools required. Made in USA. A simple and compact emergency area solution. F.I.T.™. Kits are a remarkably versatile matting solution for Emergency Eyewash Stations and Emergency Shower Stations in commercial and industrial facilities. FIT interconnecting floor tiles are 12" x 12", 100% Silicone free and feature a lightweight flexible design that allows tiles to be cut and reconnected every three inches.

Features high visibility yellow borders and elevates user above hazardous liquid overflow in critical situations. F.I.T.™ Kits for emergency & safety area designation are a must for virtually any facility. A low cost way to improve safety in your workplace.

- Created for high visibility per ANSI recommendations
- Elevates user above hazardous liquid overflow
- Designates safety area and encourages unencumbered access
- Conforms to ANSI Z535.1-1998 Standard
- Available in safety red or green with yellow transition/ramps
- Easy
